Christian Community  
International House of Prayer - Evangelism - Discipleship

*We believe in miracles!*

## Dear Friends,

*Jesus set a high standard when he gave us His friendship. Generally friends are those who stand together and support each other in challenging and difficult times. We are incredibly grateful for your friendship which has been encouraging us and revealing the goodness and love of God for us for almost 30 years. Through your prayers and gifts you have a significant part in everything that God does through our ministry in Austria and beyond. Full of joy we give thanks to our heavenly Father and pray for you: You are a blessing and you shall be blessed with every spiritual blessing in the heavenly places.*

We want to share with you what we experience and what is on our heart.

Personally, as well as a community, we long for what is written in Colossians 1,9: "To be filled with the knowledge of God's will through all the wisdom and understanding that the Spirit gives." Thus we gather together daily in the prayer house to worship Jesus, lift Him high, look up to Him, to be close to Him and to give room for the Holy Spirit to fill us and to change us. In the last months we were moved to bless Austria in prayer and worship. Besides the announced intercession times in Graz, Innsbruck, and Eisenstadt, we had times of worship and

intercession in Vienna with the Revival School from Lüdenscheid: on the Ferris wheel, on top of Leopoldsberg, in front of the UN. We will also have prayer and worship in the other State capitals. The dates will be announced on our homepage.

Furthermore we experienced amazing unity in the Body of Christ at the prayer for Austria during the National Day, at *Together for Europe* at the Stephansdom and in *Wittenberg 2017*. We see how the Holy Spirit brings us closer together and the power of coming together in "unity in diversity" to pray and worship.

Highlights were a summer bible school in Imst (Tyrol) with Walter Heidenreich and Petra Feddersen during which 20 believers got baptized, and a seminar with Walter Heidenreich in Vienna which was full of encouragement and orientation. When we are receiving apostolic teaching and are ready with open hearts and open spirit, we experience how our faith is build, encouraged, aligned, and strengthened. Those times were precious to us and we are so grateful to have experienced this. Where we let ourselves be moved by the Spirit of God, His Kingdom is near!

We also want to highlight that our ministry in Austria is part of the international ministry of Help/FCJG and how much blessing is released world-wide through us.

## Who are we, and ?

*The FCJG is a fellowship that combines community life and ministry. We have one goal in Germany, Austria, and internationally: **To worship Jesus, to proclaim the gospel in the power of the Holy Spirit, and to live together in community!***

In the 70s the FCJG (Free Christian Youth Community) developed out of the Jesus people movement and in 1977 Walter and Irene Heidenreich joined and shortly after took over leadership. During the last decades

the FCJG evolved into an active faith and missions movement working interdenominationally.

Since 1994 HELP International is the mission ministry of FCJG abroad. The first ministry started already in 1988 in Vienna. Communities were founded on the Philippines, in China, Thailand, Mongolia, and USA. The name **HELP** represents **H**umanitarian aid, **E**vangelism, **L**eadership training and **P**ioneer ministries and Gods HELP for all people.

In all of this, the gospel of Jesus Christ, his grace and love are our foundation. This is reflected in the community lifestyle of FCJG as well as the assignment to meet the needs of those living in poverty and bondage. All generations find a home with us and experience the father love of God, discipleship, and encouragement of their talents. We are convinced that miracles happen only through the power of the Holy Spirit

and the love of God and that broken and lost people can become fully free and restored. As part of the body of Christ we organize trainings, conferences, seminars, and national and international Revival Schools. The Word of God is our standard. Everything happens through prayer and worship – these are the pillars of all our ministries.

Part of HELP's ministries is first aid in disaster situations. Since the foundation of HELP International, approximately 564 tons of relief goods have been sent to and distributed in areas of calamity. Furthermore, we have given financial and practical help, e.g. to Mongolia, Turkey (after severe earthquakes), former Yugoslavia, to Afghanistan, after the Tsunami in Thailand, and other nations. Through conferences and seminars we have reached about 15,000 participants of whom more than 1,300 have taken part in short-term outreaches.

Petra Feddersen and Birgit Janke are the leaders of all our international ministries, HELP International and FCJG Lüdenscheid. Both are travelling the nations regularly to visit us, teach us, and be at our side with advice. Besides the leadership of FCJG and HELP, Petra leads

the worship ministry – Tengerin Doo – of our international community and trains the body of Christ, also in Austria, in worship. Birgit and her husband Christian lead the area of interdenominational ministry of FCJG and the prayer mountain for the Nations in Lüdenscheid.

Walter Heidenreich is the founder and visionary of HELP International. Today he is the president of both HELP International, Inc. and FCJG Lüdenscheid. With his international ministry *FCJG Horizon* he reaches thousands of people every year world-wide. Our ministry in Vienna as well as all other ministries in Germany, Asia, and the USA can be traced back to his initiative and vision for people and nations and his fatherly and apostolic anointing.

Franz and Melanie Hochschuh have been leading HELP-FCJG Vienna since 2014.

Then there are the precious pearls that God brings into our home, often out of a deep mess, to experience healing, freedom and discipleship.

## Irma

*With a ring in my nose and multiple body piercings I came from drugs and chaos to FCJG Vienna to change my life. I wanted to return to God.*

It was strange and new to me, this way of worshipping and honoring Jesus, especially to pray and sing in tongues. But I realized that there was the power of the Holy Spirit. And I really wanted to have it as well. But somehow I had no breakthrough. Everything changed when God touched my heart one evening in the prayer house. That evening I went to my room and I had a strong urge to take out my nose ring and so I just did it. The next day I also removed all body piercings during the service and got baptized in the Holy Spirit during worship and received the gift of speaking in tongues.

A few weeks ago I celebrated my 24th birthday in IHOP Vienna with my family and new friends. Most important for me was the time together before God full of thankfulness and worship. I am so grateful that reconciliation and restoration have reunited my parents, my brother, and me.

The next week I had an appointment with a doctor and he discovered another miracle in my life: I have grown 5 cm!

*Irma, 24 years old, from Vienna, has been living with us for 8 months.*

## Anniversary

*Next year in June, we will celebrate 30 years of Help-FCJG Vienna. 30 years of God's faithfulness, miraculous provision, many healings, deliverances, and life-changing decisions to follow Jesus. 30 years of fruitful relationships in the body of Christ in Vienna and Austria. 30 years of ministry to the glory of God. We want to celebrate with all our friends, so we cordially invite you to join.*

In 1987, Walter Heidenreich was invited by *Youth with a Mission* (YWAM) to join an outreach in Vienna as an evangelist for 3 weeks. During the last day the FCJG was called prophetically to Vienna by one of the Christian leaders, Johannes Fichtenbauer. In 1988 a team was established. Called by an assembly of 20 leaders and pastors from different churches we arrived in the city. Sent out to lift Jesus high, serve the Kingdom of God, and to lead those in bondage into freedom through the love of Jesus, we are decided to fulfill this call in faithfulness and devotion to the glory of God.

On June 2nd 2018 there will be a celebration in our center together with many guests of honor, friends, former guests, current partners, and those who have accompanied us on this road.

## What we are currently missing ...

*... is our van. After 13 years of faithful service and almost 200 000 kilometers it has resigned.*

Professionals have confirmed the sad diagnosis: It's not worth investing in anymore. The engine is dead. We need a new van. Many of our activities and outreaches with other churches and ministries are not possible without a van with many seats. After a call for donations we have received about half of the needed money for a good used car. Many thanks for all the generous donors.

*Austria: Donations to charity organizations are tax deductible of Austria-based donors. In order to register donors appropriately, we need your date of birth together with your first and last name as listed at the Federal Review Office.*

*Germany: When donating, please do not forget to mention the means of purpose HELP-FCJG Vienna. For those living in Germany we are issuing donation receipts in the beginning of each year for the prior year.*

Walter Heidenreich, president of HELP-FCJG and our international leadership, Petra Feddersen and Birgit Janke, will be with us as well as the "Friends" of the band "Petra Feddersen and Friends". Together we will have wonderful times of worship to honor Jesus, express our thankfulness to Him, and put Him in the focus. Full of gratefulness for His work, His faithfulness during the last 30 years, and above all because of who He is. To Him belongs all our worship, all adoration, all glory. He is always worthy to be praised.

For three weeks we will also have evangelistic outreaches in the city together with YWAM and local churches.

Please do not miss this, let us know if you can join. We are looking forward to celebrating with you!

*Be blessed abundantly and the peace of God, which transcends all understanding, shall reign in your hearts.*
