Dear friends,

A couple of days ago, I received the message of a man who recently attended one of our healing events on Prayer Mountain for the Nations. The doctors gave him only another nine months to live. They diagnosed a tumor on his liver the size of a handball, and now I only a couple of months later I watched a video of this very man riding his mountain bike for the very first time in two years. Since he came to our healing event, he doesn't need to take painkillers anymore. I vividly remember the night at the prayer house, when father and daughter wept, because they couldn't locate the tumor anymore.

The presence of God works miracles, sometimes in public, measurable, visible or diagnosable, and sometimes inside where a hardened heart becomes soft or a hurting heart is healed. No matter how or what, we always have reason to rejoice.

When God's love works amongst us, everything is possible. Let us love one another, for he has first loved us. (1 John 4:19) According to this, the first love isn't any love that we show to someone. The first love flows from God, our Father. Only after we have received from him, we are able to pass something on to love, His love.

When it comes to remain in that first love (Rev. 2:4), I am challenged to first and foremost embrace His love before anything else. After I have received, the quality of love that I show to God and people surpasses by far any human-driven love.

It is our desire to set a sign of God's overwhelming love with this 'Unser Weg' (Our Path). Our passion and driving force is this: God is love! That's what we have experienced and we experience it over and over again. Because of this, we cannot be silent. We are preaching this message nationally and internationally and see the wonderworking power of God's love in action all over the world.

You will read of what we are doing in Löhnscheid and beyond in Germany and in the nations of this world. While talking about the nations: We have just decided to return to publishing two newsletters - 'Unser Weg' with news from FCJG in Löhnscheid and 'HELP News' with news from abroad.

Thank you very much for all friendship, prayers and support. As you may know, your financial gifts and donations go straight to missions, evangelism and mercy ministries to advance the kingdom of God. Thank you for standing with us as partners! We are looking forward to seeing you especially in the year 2020. Join us at Burning Hearts Summer 2020, a summer of God's love displayed in all its fullness and diversity..

Let's join for the sake of His kingdom!

ENCOUNTER

A GOD of

The God of the bible was and is forever a God of encounters. The bible as well as revival history are stuffed with God encounters and consequently with encounters of God's power in the lives of people.

Long before the *Prayer Mountain for the Nations* on the Wislade estate in Löhnscheid was inaugurated and dedicated, generations of Christians have prayed on this mountain. Foremost the students of the REVIVAL SCHOOL, that opened its doors on the Wislade in 1986. They have taken innumerable prayer rounds. Some cried out to God, others wept before him. On this mountain, nations and international situations of calamity have been lifted before God. Here, many asked God to show them the next step in life, or how they should enter into their destiny. On this mountain, prayers and intercessors literally have fought in prayer, dedicated to pray until they have seen victory. Worshipers have filled the estate with worship.

When we dedicated the mountain at Easter 2000, it became internationally known as Prayer Mountain for the Nations, and we immediately followed a good biblical tradition: We erected a tent (in our case it was an American tank tent), which served

for four years as the tent of encounter with God. In the year 2005, we opened the prayer house. We dedicated it first to God but also to all of God's people. Every Christian is welcome to pray and to worship Jesus any time.

You know, despite all the praying, asking, interceding, pleading, in all victories through prayer and worship it's not primarily about US and our prayers and worship. The word of God says that we are to do all of these without ceasing, full of joy and gratefulness. However, our doing isn't the center of it all..

The TENT of Encounters

“Moses took his tent and pitched it outside the camp, far from the camp, and called it the tabernacle of meeting.” (Ex. 33:7)

The center of all that is happening on Prayer Mountain is encountering God. One encounter with him literally changes everything. Suddenly, the focus is no

longer our doing, but a person: God, the Father! The Father longs to welcome all prodigals back to the Father's house. It's his heartbeat behind it all, and his desire is that we, his children, his people, share his heartbeat. Therefore, we pray and worship; therefore, we are going into all the world. Yes, we strive for it and do it, but our doing is not merely a technical task to be accomplished, but it's all based on our abiding in God through daily encounters with him face to face. To me, following Jesus and encountering God are reduced to one common denominator:

Being in the right place, at the right time, with the right people for God's sake.

ENCOUNTERS

Burning Hearts Summer 2020

We are heading towards a hot summer in July/August 2020 when erecting a tent of encounter on Prayer Mountain. This might become an important season for you – no matter how often or for how long you come – to encounter God and receive renewal for your spiritual life.

Encounters are the bottom line in our relationship with God, Jesus and the Holy Spirit. In the same way, encounters are also the bottom line of Burning Hearts Summer – encounters with God and his presence. Encounters with his power. Encounters with people from different churches and nations. We expect and pray for many to get saved and be delivered, for healings, signs and miracles to happen which are always evidence of God's love. Of course, worship in the Spirit and in truth is also a vital part throughout the summer season 2020.

All we are going to experience will impact those who have not yet encountered God's love – the lost in Germany and in

the nations. The gospel must be preached everywhere, in every nations, on each continent, for there are so many who have no clue of the joyful and liberating power of the good gospel message. Only Jesus saves, heals, delivers and he has commissioned us to go into all the world as his messengers.

During the four weeks of Burning Hearts Summer 2020, we are also hosting the Burning Hearts Weeks in the REVIVAL SCHOOL. Find all information in the middle part of "Unser Weg" (see pages xx) and on our website.

Finally, we are going to celebrate! In the course of the Day of Prayer on Saturday, August 8, 2020 we celebrate the 20th anniversary of Prayer Mountain for the

Nations and the 15th anniversary of the prayer house.

Our hearts are full of gratefulness for God's presence and the innumerable people from so many nations who have visited Prayer Mountain throughout the years. Come and celebrate Jesus together with us and many others in the tent of encounters – and we will look ahead to what God has in store for all of us.

ENCOUNTER

Jahwe Rapha

This year was very intense for us as Wiedenhof community as well as for all of FCJG. In the end of 2018, we got word that Arne Schulz, the leader of the Wiedenhof, had cancer. For six months, we gathered every Monday early in the morning for prayer and fasting, holding on to the promise: Arne shall live and not die (Ps. 118:17)! However, the promise has come to pass other than we believed and hoped: On May 20, Arne went ahead of us to be with Jesus, and there he lives forever with Him! He has left a big gap in his family, in our community and in our rehab house ☹ but at the same time he has left a rich spiritual heritage with us. Arne demonstrated with his life the love and mercy of the Father through which many people got blessed and enriched in their walk with God. Thank you for your wonderful example, Arne. We miss you!

Since Arne went to be with Jesus, we are establishing the Wiedenhof team in a new way. Our leadership team makes Richard Ehrenberg, Janina Mahrt and Katja Schulz, alongside with the staff Walter Widner, Martin Pfister and Sandra Machek. To us this is a completely new situation and we face many challenges. However, in everything we sense and experience God's grace and faithfulness in powerful ways. He is our confidence and strength in everything. It is Him, who leads people to the Wiedenhof who are seeking holistic healing. God in his love encounters them and we watch them getting healed physically, emotionally and spiritually.

Even though we didn't see physical healing breaking through in Arne's life, we continue to hold on to who God is: He is "Jahwe Rapha" the Lord who heals you" (Ex. 15:26).

Julia (18 years old) has been with us for some time and has experienced a number of healings: "Since I have come to the Wiedenhof, I got healed of bulimia as well as of epistaxis due to past drug abuse. One night during worship, my ears got healed without anyone laying hands on me. For years, I wasn't able to hear well, and the doctors prescribed hearing aids. I don't need them anymore.

A couple of weeks ago, I bounced my hip and had to walk on crutches. When Marie (Arne's 14-year-old daughter) spoke healing over me in the prayer house, the pain left and since I don't need crutches anymore!"

Yes, we believe that God is good ☺ all the time ☺ and yes, He wants to heal!

the Wiedenhof Team

In the year 2013, Arne Schulz became the leader of House Wiedenhof. To us as FCJG/HELP leadership he didn't just hold a position ☹ he was rather a friend, a faithful brother, a passionate worshiper who was determined to follow after Jesus to the very end. Arne, you went ahead of us and now you are seeing Jesus face to face. We are looking forward to seeing you again.

The other Worship Service

by Arion Roffler

We rejoice and are thankful from the depths of our hearts for everything that is happening in our worship services. All of this awakens a longing for more within us, for God has promised to do miracles. Where God is, there is power ☞ power to save, to forgive as well as power to heal.

God is Healing

☞ I am your God, Jahwe Rapha ☞ the Lord who heals you! ☞ This word has stuck with us for quite a while. When encountering God, we encounter love and healing in person. He does not only heal, God IS healing. This is his name, and by this Jesus shall be made known again. How?

When Jesus commissioned us to go into all the world and to preach the gospel to all creation, he gave us a promise on the way, ☞ These signs shall follow those who believe: In my name they will cast out demons, speak in new tongues ☞; they will lay hands on the sick and they shall get healed. ☞ (Mark 16:15f) People shall not only hear about Jesus, but experience his power. He has commanded us, his people, to take him and his word serious.

Taking God serious

God heals ☞ I have known this since I was little. As a newborn baby, I almost died. The doctors didn't know what to do. However, my mother took God by his word. She laid hands on me and trusted in God ☞ and after a while I got healed. When I was a teenager, I almost ended up sitting paralyzed in a wheelchair. Again it was my mother who didn't give up praying, and God interfered. These incidents have released a hunger in me for healing to also happen through me. Whenever I sense the Holy Spirit speaking to me, I lay hands on the sick, for God is still the same today!

One of our lady ushers received a word of knowledge in our worship service. ☞ The Holy Spirit showed me the person the word was for. I approached her and shared only part of it. After a short prayer, she was quite encouraged. I wanted to continue with my usher service, when the Holy Spirit reminded me, ☞ Didn't I show you much more than what you said? Go back and tell her. ☞ Goodness ☞ It took all of my courage, I went back and told her all the Holy Spirit had spoken to me. The word hit the mark and that night she experienced deliverance of deep inner pain. ☞

The worship service was officially over and it was time to go home. A lady laid on the floor ☞ very peacefully. The Holy Spirit told one of our staff, ☞ Go, sit beside her and lay your hand upon hers. ☞ Okay ☞ what next? ☞ Nothing next. ☞ She sat beside the lady with her hand upon the lady's hand. She would have loved to speak out all the prophetic words, impressions, pictures, etc. she received, but the Holy Spirit said ☞ No ☞ to all of this. Thus she simply sat there, quietly praying in tongues. About an hour later, the lady opened her eyes and said, ☞ God said that he is my Father; that he will never leave nor forsake me. I was anxious for the hand to be drawn, but it stayed there. ☞

We want to see more people to encounter Jesus and experience his power ☞ HE, who IS love. HE who IS healing, and HE who gives new life!

Balancing on a Knife's Edge

by Walter & Irene Heidenreich

“When it is evening you say, ‘It will be fair weather for the sky is red,’ and in the morning, ‘It will be foul weather today, for the sky is red and threatening.’ You know how to discern the face of the sky, but you cannot discern the signs of the times.”

Matth. 16:1-3

Global conditions draw the focus of us Christians to the second coming of Christ in a new and much greater dimension. As young Christians, we were electrified when reading about the end times and the second coming of Christ in the bible. We listened to an anointed preacher who spoke about rapture day. What he said quickened us so much, that we wouldn't have been surprised if Jesus would have come right away to take us to heaven. All of this happened during the Jesus People Revival. This powerful expectation of Jesus' return, is deeply rooted in God's people alongside with an increasing hope for revival. Throughout revival history, believers listened to sermons about the second coming of Jesus and they prayed: Come, Lord Jesus, come soon! More books were written about him. The songs circled all about his coming. The signs of the time and Jesus' return were so tangible, and the believers were literally driven by God's love to share the saving gospel with as many people as possible (see John 3:16).

Today, we are awaiting His return with an-

icipation. Time is running and the world is obviously taking its last breaths. We don't need to list the many natural disasters and innumerable failures of humanity in order to give evidence, Jesus mentioned all of these in Matthew 24. Every effort to save creation is worth it, and God has entrusted us to watch over it. However, if we reckon without the Creator of heaven and the earth, we are dangerously balancing on a knife's edge. The signs of the times are eye openers for humanity, and foremost for Jesus' disciples (see Romans 13:11-12).

Jesus says, “Heaven and earth will pass away, but my words will by no means pass away.” (Luke 21:33) According to his promise, we are waiting for a new heaven and a new earth to come. That is our vibrant hope. It doesn't say thought that we shall take a rest, not doing anything. Rather the opposite, the love of God is our driving force. There is still time for grace (see 2 Peter 3:9-10).

We have had the privilege to lead many people to Jesus throughout this year. In September, Walter spoke at the GO Conference to which visitors from India and its neighbouring countries came. On the final night, the Holy Spirit did a great healing miracle. A severely handicapped man got healed and danced full of joy across the stage. Upon this, his whole family gave their lives to Jesus. We love to watch such transformation in people's lives – no matter their complexion, language, culture or nationality.

Thank you for your faithful prayers, support and friendship. May God bless you in all joys and challenges. Let's pray together:

Come, Lord Jesus, yes – come soon!

God's Love Pipeline

by Jonas Dresselmann
Staff Youth Café

We are a bunch of young people who have reached out for quite some time on a regular basis to the youth in our town. In the beginning of this year, during a time of prayer and fasting, God gave us a vision: He wants to create a place in Löhnscheid where young people encounter God. A place of evangelism and healing. A place where young people find shelter and get new hope. Out of this vision, we started the Youth Café. We renovated, made the place nice and prayed a lot, and for six months, the café has opened its doors every Tuesday night. We are excited and thankful to see how God is using us to reach the youth in town with His love.

Dr. Charles Ndifon put it like this, "We were created to be a pipeline of his love", and that's what we are: A pipeline of God's love. In and through this, God works miracles, heals and touches hearts. For example, we met a young man whose legs were uneven in length. When we prayed for him, the shorter leg grew up to the length of the other. He was so happy and could hardly believe what had happened. The 15 young people who were there with him and witnessed what occurred were speechless! Then some minutes later a boy, who was at that time suffering from a slipped disk and was unable to go to the gym because of it, approached us. We prayed for him, too, and he got healed completely! A Muslim passed our youth café on crutches and after he received prayer, he didn't need them any longer! He was so excited that we could do a video where he shared the healing that happened to him and allowed us to upload it on Instagram.

God is with us and confirms his word. Recently, we prayed and asked God for 1,000 EUR to make the café more known in town through advertisement. Just a short time after, we received the exact amount we prayed for! Now many posters of our place are being seen in the city buses here!

It is our desire to see miracles, signs and wonders increase in town and that even the newspapers start to talk about them! We want to see the Youth Café become too small a place because of crowds of young people coming in to meet God! We want to see a young generation getting saved - that's what our hearts are after!

"Faith is the key that opens every door in the kingdom of God." (Donna Schambach) God also wants to move through you! He wants to give you visions and ideas too big for a human mind. Be encouraged, because God WANTS to do that - through you!

City Mission

The Anatomy of Movement

by Birgit Janke

How long can a person stand on one leg? I made it for 3.31 minutes, and that it is impossible to only walk on one leg, is obvious. Limping or jumping would be the most. As much as it takes two legs to firmly stand or be able to walk, in the same way it takes prayer and evangelism to merge.

“... but Joshua, the son of Nun, a young man, did not depart from the tabernacle.” (Exodus 33:11) Representative for his generation, Joshua LIVED as a young man in the very presence of God. At this point, we find the cause for all victories, God’s favour, courage of faith and the land taking we are reading about in Scripture. It’s my prayer for today’s young generation, that they may live in that way before God, never leaving this deep and abiding fellowship with Him. Johannes Facius made the following statement, “We are not going to see revival if the fire of God is not burning on the altar day and night” - and I fully agree. This is the reason why we as a mission community put such an emphasis on prayer - on abiding prayer! The victories in our lives, in Germany and the nations, are birthed in God’s presence and no-where else. *How will workers go into the harvest without asking the Lord of the harvest for it? How shall we take nations as our inheritance without claiming them in prayer (Ps. 2)? How shall streams of living waters flow from us without drawing from the very well?* There is an immediate connection between prayer and revival, between God’s presence and living a life of breakthroughs, between prayer and transformation of nations.

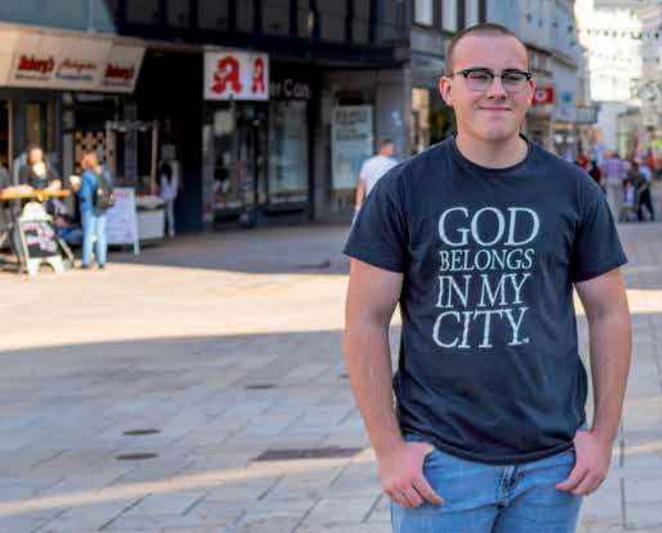

Prayer Mountain for the Nations is a dwelling place of God’s presence. Thousands have had life-changing encounters with God here. In the beginning, we used a tank tent for prayer gatherings, and to this day people testify of the intense presence of God in this place. Summer of Love alone (in the years 2003 and 2004) drew 45,000 visitors to our tent meetings. With the dedication of the prayer house in July 2005, God proceeded with a new chapter of his presence on Prayer Mountain.

As community, we love to gather before God in on in this place and to welcome prayers from all over the world. Besides big prayer gatherings, there are also individuals who come here to seek God. Like the two boys who genuinely asked if they were allowed to climb the radio tower on our estate in order to get closer to God. Or the globetrotter who is seeking God with all his heart. The spiritual leader who comes for a few days to spend time in God’s presence. The Lebensscheider who comes to find peace as well as innumerable others who have had encounters with God here.

It’s a privilege for us to celebrate two anniversaries on the occasion of Burning Hearts Summer 2020: the 20th anniversary of Prayer Mountain and the 15th anniversary of the prayer house. You are welcome to be part of a summer of encounters with God, and to embrace healing for you and people with you who don’t know God.

»Shall I proof to you that God is real?«

by Andreas Schuster

After an evangelistic outreach, Timo met two teens. One of them had his wrist in a cast and obviously was in pain. Timo asked, whether they believed in God. When the two weren't too sure about that, he went on and said, "Shall I proof to you that God is real? God told me, when I lay my hands on the sick, they will be well." The guys looked at him, stunned and speechless, but agreeing to this unusual offer. Thus, Timo prayed, commanding the pain to leave in Jesus' name. The teen checked the wrist and found with amazement that he was healed. This was the perfect moment for Timo to share the gospel, and right there and then the two gave their lives to Jesus! "What do you feel inside?", asked Timo. "Joy!"

Prior to attending the REVIVAL SCHOOL, an encounter like this would have been no option for Timo. However, while in the school, he encountered God and the truth of Acts 1:8 became real for him, "You will receive power when the Holy Spirit comes on you and you will be my witnesses." Since Timo has seen how God has used him powerfully as he walks by faith trusting God. He is determined to follow Jesus uncompromisingly!

People need to hear the gospel of Jesus! For the gospel is a power to save! However, if they do not only hear the gospel, but also see the same signs and wonders that Jesus

has done, faith comes alive in their heart. Faith in Jesus, the only true risen Son of God. Faith that they can be saved.

Faith is nothing we can convince people of, neither can we proof to them that God is real. They need an encounter with Jesus, with his love and power. Such encounters don't leave room for excuses or elusions - they always lead to making decisions. If we are brave and courageous enough to firmly trust in the word of God and take the risk to believe him, he will do miracles. We do not have to wait for God, but God waits for us!

Timo has experienced God's transforming power and he uses him, and God wants to do the same for you. The REVIVAL SCHOOL is a place where we go after these things together! You are welcome to enrol. We invite you to come to the school and get trained by God and the Holy Spirit. Discover God's plan for your life and commit one year to attending the REVIVAL SCHOOL. Maybe you cannot spare a whole year, then join our Training Weeks or the Burning Hearts Summer Weeks in 2020. Live with us, get equipped and see God do miracles through you..

Thank you!

We are thrilled about renovating our school building and the classroom! Above all, we want to give God all the glory! However, we also want to say THANK YOU to all of you for all prayers, financial support as well as any hands-on support! From the estimated 85,000 EUR we are still short of 35,000 EUR (to renew the roof). Thank you for standing with and supporting us to the end! You are shareholders in what God is doing here right now and in the generations to come that will encounter God, get trained and equipped and enter into their calling to fulfil the greatest commission the world has ever heard of, "Go into all the world to preach the gospel to all creation!"

The Hub

by Anita Reiff

Driving on the motorway, I was passing Frankfurt airport. As always airplanes were approaching and as usual, I was fascinated watching them. Suddenly, there was this familiar voice saying, "A hub" like L enscheid! Of all places "L enscheid" a hub?! The fourth largest airport in Europe in comparison to FCJG/HELP? I had to smile and at the same time suddenly understood. It is true! When taking a closer look

- ... some come, others go
- ... some take a break, get orientation, are in transit, move towards their destination
- ... some stay for a short, others for a longer period of time
- ... for some it's their destination, for others a stopover
- ... it's a home base for many, who set out together for the same destination
- ... people get guidance and a solid foundation for the next step
- ... things are evaluated, weighed, there are good-byes and welcomes
- ... necessary preparation and important information is provided
- ... both, anticipation and wrench go alongside each other

All of this, literally and figuratively, makes HELP in L enscheid the home base of our international teams and ministries in the nations.

Hub versus Cruise

Those, who are acquainted with junctions in big cities, are also familiar with the mostly predominant busyness of such places. However, at HELP we want to prepare people for missions by providing a place of rest from all busyness and to embrace God and his heartbeat for the nations in a deeper dimension by entering into God's presence. This is happening at missions weekends, during short-term outreaches, or while staying for some time at one of the mission bases for those who want more.

We send co-workers, who know that they are called but are eager to see their calling being confirmed, as support of HELP teams or as pioneering teams. And this marks the difference to the non-committing "chill feature" of a cruise: some adventure, not too stressful, feeling good.

As a hub, we know about our purpose and commission. We are determined to give our best and want to win as many people as possible for an exciting life following one goal and meeting God's hearts desire:

"Go with this one goal into the whole world, to make disciples of all people! Preach the gospel to all! Lay hands on the sick and heal them and cast out the demons!" (Mk. 16,15)

This year, many messengers of God's love from three continents have been on the move with us in China, Thailand, the Philippines, Mongolia, the USA and other nations. Faces and names of 12 to 70 year-olds come up, who set out to stir up the world all moved by the love of God and the power of the Holy Spirit!
